

## Understood End Time Prophecies to Timeline Part 3)

**Daniel 9's FINAL Prophecy Numbers:** This study is really going to get us into some number breakdowns, with understanding like many of you have never understood before. The focus is of course on the famous [Daniel 9:24-27](#) prophecy. In revealing its true understanding it will also take us into many of the other number counts that have been misunderstood over the years. Such as the timing of 42 months in [Revelation 13:5](#) and [Revelation 11:2](#), as well as 1260 days in [Revelation 12:6](#) and [Revelation 11:3](#), compared to 1290 days in [Daniel 12:11](#) which will lead us into [Zechariah 11:8](#) and of course times, times, and a half in [Daniel 12:7](#) compared to time, and times, and half a time found in [Revelation 12:14](#). As you'll see again like in parts 1 and 2, it always takes us back to the 14 years and [Psalms 90:10](#) understanding. All this and more! So hold on, have your bibles open and preferably e-Sword or something similar and be ready. Also please feel free to pause throughout to seek these understandings revealed, for yourself.

I recommend whoever hasn't yet watched part 1 and 2 to do so. You can watch this one on its own for the understanding, however you're going to have many more questions, such as what we're going to start off with. Alright, we need to establish the foundation of the timing understanding and as many of you already know, that is found in [Psalms 90:10](#). "The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away." This IS the revelation of the When that opens the understanding of prophetic timing. We see 70 to 80 years then Soon and Fly Away. 10 years + 6 months + 3.5 years = 14 Years! With this we can now go into understanding Daniel 9.

We have all heard over the years the teaching of the Daniel 9 count and how it was revealed in Christ's first coming. However many, including Sir. Isaac Newton, who was very studied in scriptures, and especially in Daniel and his prophecies. Believed that it spoke of Jesus's not only First but also Second Coming. He believed that there was a need or an understanding of the two sets of numbers to be counted separately! However, as close as he got he was still not able to understand it. The reason.... it wasn't the time! But he did leave us a piece of understanding that confirmed what was revealed to me. They are two separate pieces of time. In the end time understanding they are no more multiples of years, but simply week for a year. [Daniel 9:25](#) "Know

therefore and understand.... To Restore and to Build Jerusalem... shall be seven weeks...". This 7 weeks is weeks of years, meaning 7 years! And the understanding being spoken about regarding the separation of the two number sets is the “, **AND**”. We explained this a little in part 2. But we’ll break it down here for greater understanding. We not only find it here in [Daniel 9:25](#) but also as mentioned above regarding; time, times and a half [Daniel 12:11](#) compared to; time, and times, and half a time found in [Revelation 12:14](#).

And we also find its understanding in [Revelation 7:9](#) “After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, **and** palms in their hands;” We find it many times in this verse and they all confirm the same understanding. Separate yet part of the whole understanding. In this example here in Rev.7:9 it’s giving us the separation of those who had white robes given to them earlier, the dead in Christ under the Alter at the 5<sup>th</sup> seal. Compared to those who were found alive at the rapture and are the ones who have been given palms in their hands! It doesn’t mean they won’t both get white robes And palms in their hands, but it gives us the separation of the two in the understanding. We’ve also done a video explain this a few months ago. The same applies to Dan.12:11 simply having a “,” and Rev.12:14 having the “, and ”. So now when we look at Dan.9:25 we can understand they’re separate.

Next in Dan.9:25 is the understanding of threescore and two. This was a little harder to understand until you realise the scriptures have given us another understanding of the meaning of “score” that was not added in the word description of threesore. It is found and revealed to us in [Genesis 15:5](#) “And he brought him forth abroad, and said, Look now toward heaven, and **tell** H5608 the stars, if thou be able to **number** H5608 them: and he said unto him, So shall thy seed be.” H5608 A primitive root; properly **to score with a mark as a tally** or record, that is, (by implication) to inscribe, and also to enumerate;... The understanding is this ///. Meaning to mark off or score. Now add “and two” and you get ///2 as in 3 and a half years. Now can this understanding be confirmed? ABSOLUTELY 100% yes! [Psalms 90:10](#).

So now we have 7 weeks/ years, **and** 3.5 years here in Dan.9:25. Then the verse continues on to tell us, “;... the street shall be built again, and the wall, even in troublous times.”. So what portion of time is it being built again? **AFTER the first 7 Years!** Then we read in [Daniel 9:26](#) “And after threescore and two weeks shall Messiah be cut off, but not for himself:..” It’s telling us that **Messiah** will have been here during that time of 3.5 years in some form, before cutting Himself off??? Can we back this in the

scriptures? Yes again! When is Jesus first seen during the tribulation? After or at the end of the 6<sup>th</sup> seal. [Revelation 6:16](#) “And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:”. This before the 7<sup>th</sup> seal. Then we the 144,000 being sealed followed by the main harvest or great harvest (rapture), which we’ve also done a video about called Understanding the Harvests. The next time we see the Lamb is.... ON Mount Zion with the 144,000 right before the trumpet judgements (Jacob’s Trouble) begin! This is also confirmed to us in the book of Zechariah. (We will go into greater detail about the books opening and revealing the chapters to years, like we’ve taught in Ezekiel, Hosea, Zechariah, John, Acts and more in following parts of this series). But, to give greater understanding regarding the When, of the Lord on Mount Zion, we’ll touch a little here on the end time understanding of the opening of the books in Zechariah and Ezekiel. You’ll notice Zechariah has 14 chapters. This was done on purpose by the Spirit given to them who only a few hundred years ago added to chapters to help us reference.

So again in [Dan.9:25-26](#) after the first 7 years we see the Lord is here in some fashion and He’s here for 3.5 to oversee the rebuilding of Jerusalem before cutting Himself off/ leaving to go somewhere for some reason. So where can we confirm all this. As mentioned, we see Him on Mount Zion with the 144,000 in [Revelation 14:1](#) “And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father’s name written in their foreheads.” which is at the begin of the trumpets time. We also see in [Zechariah 8:3](#) “Thus saith the LORD; I am returned unto Zion, and will dwell in the midst of Jerusalem: and Jerusalem shall be called a city of truth; and the mountain of the LORD of hosts the holy mountain.” Now if the 14 chapters of Zech. truly did have a chapter to year end time understanding it should confirm this time (as well as many others) for us. Zechariah 1 we’ve been teaching and revealing that in fact the timing of events IS 2018 and that a year goes from Spring to Spring. So if chapter 1 is 2018 that would make chapter 8 the year 2025 and the 8<sup>th</sup> year/ the start time of trumpets/ **After the first 7 years**. And it’s exactly what we see the Lord having returned to Mount Zion. Not feet down on Mount of Olives. This is on Mount Zion and He won’t be seen or understood yet by all. We can go into another 3 hour teaching just on that part alone, but let me finish Zech. by showing you two simple straight forward confirmation of this understanding. In [Zechariah 1:12](#) we read; “Then the angel of the LORD answered and said, O LORD of hosts, how long wilt thou not have mercy on Jerusalem and on the cities of Judah, against which thou hast had indignation **these threescore and ten years?** “ Which is where we are in TODAY!! The 70<sup>th</sup> year! Now let’s look at [Zechariah 14:4](#) “And **his feet shall stand** in that day **upon the mount of Olives**, which is before Jerusalem on the east, and the mount of Olives

shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.” And where do we find this... chapter 14! In the 14<sup>th</sup> year! Let’s show one last example to prove this out. It’s found in Ezekiel. The book of Ezekiel gives us a confirmation but from another angle. The year 2018 is revealed in Ezekiel 33 and the 14 years go to chapter 47. Chapter 48 is the restoration of all the tribes to their lands in the JUBILEE year, which is 2032/33. We’ve also made a video proving this out and we’ll go into greater detail in another video. However let’s prove this out in it relation to understanding Daniel 9 and its understanding of the timing. If Ezekiel 33 is the reference year for 2018 then chapter 40 should be the year 2025? We’ve already established He’ll be here somehow in relation to being on Mount Zion. But now according to [Daniel 9:25-26](#) while He’s here for the 3.5 years (after the first 7) He’ll be overseeing the rebuilding of the city, etc... and the temple. So let’s see if we can find the reference in Ezekiel that should begin in chapter 40 and last for about 3 to 4 chapters based on it being for 3.5 years? First of all let’s let [Ezekiel 40:1](#) tell us where we are? **“In the five and twentieth year** of our captivity, in the beginning of the year, in the tenth day of the month, in the fourteenth year after that the city was smitten, in the selfsame day the hand of the LORD was upon me, and brought me thither. “ He even tells us the year is (20)25 and then confirms it by telling us it’s the END of the 14<sup>th</sup> year!!! NOT our 14 years we’re talking about, *BUT the 1<sup>st</sup> 14 years from the total 21 years* which we revealed in part 1. The Final 21 Years (and 22<sup>nd</sup>). This is the year 2025 and the first 14 years of the 21!!!

With that also confirming it for us, let’s also see what else the scriptures say about this time. Starting in [Ezekiel 40:5](#) we see.....The START of the REBUILDING of the TEMPLE with all the directions as to how. “And behold a wall on the outside of the house round about, and in the man’s hand a measuring reed of six cubits long by the cubit and an hand breadth: so he measured the breadth of the building, one reed; and the height, one reed.” And how long do these directions go on until? **CHAPTER 43!** Or about 3.5 years!!! **GOD IS GOOD!**

Let’s have a look at [Daniel 12:11](#) which also reveals understanding to this timeframe from another angle. “And from the time that the daily sacrifice shall be taken away (rapture), and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.”. This ties into the same timeframe with the 1260 days of the 2 witnesses time of prophesying. This time is from the rapture of the church, the main or great harvest as mentioned above, to the time that abomination that makes desolate is set up. It’s the time between the two. This is the time from around the start

of trumpets with the Lord on Mount Zion to the time satan loses his battle in heaven and is cast down to the earth. The time it will take to set up the abomination will be 30 days! We can confirm this in [Zechariah 11:8](#) "Three shepherds also I cut off in one month; and my soul loathed them, and their soul also abhorred me." This is that 30 day from 1260 to 1290. And right where it should be, Zech.11 is the year 2028. The year the Lord will cut Himself off. By the way...where does the Lord go??? ☺ Answer: [Jeremiah 49:38](#) "And **I will set my throne in Elam**, and will destroy from thence the king and the princes, saith the LORD."

So I believe we can say it has been confirmed and backed by scriptures with scriptures and with understanding. So we have the 7 years, and then for 3.5 years the Lord will be on Mount Zion and Jerusalem will be getting rebuilt. Also during this same time we have the 2 witnesses who will have been prophesying for 1260 days. Now let's have a look at where we find this. We mentioned them at the beginning that they're found in Rev.12:6 and Rev.11:3. We won't spend too much time here expect to briefly go over where they're found and show they're exact connection to the timeframe from start of trumpets to mid trumpets. Now you'll also want to pay very close attention to the wording!!! In [Revelation 11:3](#) "And I will give power unto my two witnesses, and **they shall "prophecy"** a thousand two hundred and threescore days, clothed in sackcloth. ". It says they shall prophecy 1260 days and not that they'll be killed right away. This is very important to understand. And we'll get back to that in one minute. Because I want you to understand **that Rev.12 Is the Timeline**. It's from the beginning of the tribulation to the 10.5 years, the 7 years and the 3.5 years to the time that the [Revelation 12:14](#) woman will fly into the wilderness, for the last 3. 5 years. We'll cover it more.

Now back to the 2 witness' time. The reason for the importance in understanding they haven't been killed yet is because when it says he (satan) once cast out will Make war with them. He doesn't kill them right away and we'll show that. Secondly Dan.9:26 says once Jesus cuts Himself off, "the people of the prince that shall come....and the end thereof shall be with a flood, and unto **the end of the war** desolations are determined." You see there's a flood when they come and this flood is the same one that chases away the woman in [Revelation 12:16](#) "And the earth helped the woman, and the earth opened her mouth, and swallowed up **the flood** which the dragon cast out of his mouth.". Next in [Daniel 9:27](#) we see "And **he** shall confirm the covenant with many **for one week**:..." This "He" IS NOT the antichrist. We HAVE been miss taught. This He is the Lord returning Feet Down on the Mount of Olives just as we read in Zech.14. It is also the time at the end of the 6<sup>th</sup> trumpet when there's a great earthquake and those left there give praises to the Lord and believe! When? AT the

14<sup>th</sup> year. This is the same time we see that the 2 witnesses have been killed! At the end of the 6<sup>th</sup> trumpet. You see they were not killed right away. It was a 2.5 year war. Remember if we had the 7 years pass, then the 3.5 years with the Lord on Mount Zion before He cuts Himself off, that leaves 3.5 years to the End of the 14 years. 2.5 years of which are the war against the 2 witnesses and the final year that we've shown is when He returns. Why does He return at the 14<sup>th</sup> year? To cleanse the city and the Temple, as He did before going to His death. His final act was to cleanse the Temple!!!!

Now can we prove this also??? Oh course we can. It's what we do here at this Ministry of Revealed end time understandings! Remember I was saying we have broken down many books that have revealed their chapter to year understandings. Well Amos is also one of those. Amos has 9 chapters of which the first 2 are the last 2 years of seals and chapters 3 through 9 are the trumpet years. Again, I'll be going through these revelations more in other videos. But to show you a piece that relates to the final year and the temple let's go to [Amos 9:11](#) "In that day will I raise up **the tabernacle of David that is fallen**, and close up the breaches thereof; and I will raise up his ruins, and I will build it as in the days of old:" You see we have it here again! In the final year He will come to cleanse it! See these videos we have about the coming 2 Temples!!! **Yes, 2 Temples!** The first will be built where it ought not and the second in the Holy Place.

Let's break this part down and confirm it a little more before ending and wrapping it up. [Daniel 9:27](#) tells us exactly what He'll be doing. "And he shall confirm the covenant with many **for one week**(the final year): and in the midst of the week/year he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations **he shall make it desolate**, even until the consummation, and that determined shall be poured upon the desolate." You see why would satan who put in/ or caused those abominations be the one to come back and destroy it all and cleanse it??? Makes no sense, does it? Let's keep going. It also revealed in what we began with speaking about. The difference between time, times and a half / time, and times, and a half a time. You see in [Daniel 12:11](#) he's told by the angel of the Lord that it shall be for a time, times, and a half. This as explained earlier is 2.5 years of the final 3.5 years. Which of course leaves us...ONE YEAR! The difference in [Rev.12:14](#) where the woman will fly away for; a time, and time, and half a time, it is for the full final 3.5 years that she'll be away. She will not return until it's all over and has been cleansed by the Lord in the final year! When it their return? After the 14 years, which were the final 7 and 7 of the 49 years and now comes the Jubilee Year, the 50<sup>th</sup> (which would be our 15<sup>th</sup> year here in the understanding) when

they are ALL RETURNED INTO EACH THEIR OWN LAND!
