

Understood End Time Prophecies to Timeline (Part 4b)

Opening end time books to their Prophetic Timeline: In today's study note video and possibly (most likely) the next one. We're going to cover the understanding of the opening of the end time books that have been revealed to us so far, with the trusted help of e-Sword the free downloadable study tool for multiplying your bible understanding 10x and more. As most of you know, this understanding started once we were revealed the true tribulation timeline of 14 years, which is 7 years of Seals and 7 years of Trumpets. It wasn't something I was looking for, because like you, I had no idea 14 years was anything. I mean it simply didn't exist as far as I or any of us knew. I remind listeners of this so it's understood that it could not have been anything we went looking for. However, once it was revealed like only the Holy Spirit can do and the understanding became more and more clear, these books we're about to get into today, started revealing incredible understanding as to the "WHEN" of end time events in order as we had some understanding of but spread over 14 years! It perfectly answered the question millions of believers have had... "It's so confusing and impossible to understand how all the tribulation can fit into the 7 years". It was ONE of the biggest revelations in biblical history and the ministry has been built on exposing the truth of it ever sense. In understanding the truth of it, it also revealed to us The **NOW** we are in and its direct connection to the 70th year of Israel as a nation to the return of our Lord and Saviour Jesus Christ, FEET DOWN on the Mount of Olives, as we're told He would in [Zechariah 14:4](#) "And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst...". And as the angel also told them in, [Acts 1:10-11](#) "And while they looked steadfastly toward heaven as he went up, behold, two men stood by them in white apparel; **11** Which also said, Ye men of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven." And let's not forget [Hosea 6:2](#) "After two days will he revive us: in the third day he will raise us up, and we shall live in his sight". Like we're clearly told in [2 Peter 3:8](#) "But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day". Most of us have heard this all our Christian lives that 1 day is 1000 years to GOD, so it's telling us Christ will return in 2000 years from where He left. Pretty straight forward and clearly from the time He left and not the time He was born! At His birth He hadn't accomplished what he came to do. There was no Salvation yet until the cross and we

all know that. On top of that we can clearly see we're way past 2000 years from His birth. Although there are people out there trying to teach all sorts of crazy time calculations based on the timeframe being from His birth. Now to finish up this laying of the foundation to today's teaching, let's consider quickly the timeframe Jesus could have died and look at where 2 days or 2000 years later puts us? I will be breaking down this understanding in a future study note teaching about Who the Gospels Are Speaking to in End Times, but it's believed He was Crucified in 31, 32 or the most popular 33 AD.

Now let's consider where we are today? For those of you who are new, a year is NOT from January to December. It was changed a few hundred years ago, which is by the way, where we got April Fool's day from! Prior to this change a year was from Spring to Spring. Just like GOD's calendar or Hebrew Calendar. When Jesus was here a year was from Spring to Spring. So it must be understood that even though our Gregorian tells us 2019, it's still actually 2018 until Spring. So if we take where we are now in 2018, let's count to see where 14 years takes us. $2018 + 14 \text{ years} = 2032$ on our Gregorian calendar, which is still actually 2031 until Spring on GOD's calendar. AND it's the 70th year of Israel on top of that as mentioned above? Do you think that's a "coincidence" that 14 years from the 70th year of Israel that we're in right NOW today EQUALS the timeframe of His said return After 2 days? Do you also understand that nowhere in scriptures do we hear about Israel being 71 or 72 or 73....! The books and scriptures we'll cover today and in the next part will prove these truths out. Consider this, then we'll get into revealing it. If the tribulation was actually only 7 years and about to begin this year with the "rapture" or better use of word that comes first, "Escape" as many, many believe (and they're right, just not properly understanding the timing). How does that calculation make any sense? 2018 or the way most think it is 2019, + 7 years. It only equals around 2025? No one believes Jesus was crucified in the year 25AD? So with that why are they all saying the "rapture" will be this year? I'm sure they can add? I'm not saying that to be a smart, but just to point out, HOW, can they think that knowing He tells us after 2 days/2000 years? So either 7 years is right which means don't expect anything until 2024 in the 76th - 77th year or so of Israel....? Or the 14 years is the truth, in the 70th year and we have until **no later than** (meaning between now and then) **the Spring of 2019** before life as it has been known will change forever. This is why I believe so many Pastors, not all, but the majority, are putting their sheep to sleep. They only understand 7 years for Jacob's Trouble and not the first 7 for the sleeping church. They just don't understand the truth of the season and think they have a few more years. And those who believe it's about to begin, even though they only understand 7 years, are better off because they're letting their sheep know the time is upon us. But

unfortunately are very off in the information they're putting out that those left behind will have to understand. I pray I've made this clear enough especially for those newer to the ministry. It is so **IMPORTANT** for everyone but especially those who will have been left behind, to understand. So help spread the true understanding. For more information on understanding the 14 years and or to copy the videos you watch here on our YouTube channel, to have and share before it gets crazy. Go to our website at www.ministryrevealed.com and download all the teachings you want for **free**. Don't forget to be sure to leave some where others will be able to find them once you've.... vanished!

With this understanding you'll now be able to see how many of the books in the bible are telling us not only the events to come, but in which year also! You'll understand that the Holy Spirit has been involved the whole way through. Including, working through those who added the chapters and verses.

Here's a little example of that to get us started. Have a look at Genesis 1. We spoke about how the understanding of 14 years starting in the 70th year of Israel and how it equals 2031 (remember Spring to Spring). What year would it also make it? The end of 2 days or **2000 years** from His death and resurrection! **AND** it would also make it the end of **6000 years**! So let's see what Genesis 1 tells us. The last verse is.... 31 "And God saw everything that he had made, and, behold, it was very good. And the evening and the morning were the **sixth day**." You see the end of the chapter and the last verse is 31 and the last words at the end of the 31st verse are **sixth day**! This is only one little example. In Part 4 we introduced some of these books with a couple examples. But by the time this Part B and the next Part C are finished you won't be able to deny it.

Here are the books we're going to go into to reveal the understanding of the Chapters to Years from 2018/19 to 2031/32! And let's not forget 2032/33 the 15th year/ 50th Jubilee year.

Psalms 18 – 32

Psalms 118 – 132/

133 Ezekiel 33 – 47/

48 Zechariah 1 – 14

Hosea 1 – 14 John

8 – 21 Acts 15 – 28

We'll get started in the Book of Psalms and as we do, we'll also be going into many other books to show the connections to the same years, and events we generally all understand are coming. The book of Psalms gives us at least 2 points of view. One beginning from Chapter 18 and the other from Chapter 118. Let's go to [Psalms 18:2](#) "The LORD is my rock, and my fortress, and my deliverer H6403; ..." Which lines up with the escape of the bride we're waiting to take place in [Luke 21:36](#) "Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man." Or how about [Luke 24:51](#) "And it came to pass, while he blessed them, he was parted from them, and carried up G399 into heaven." We'll break this understanding down more in Part 5 Who the Gospels are Speaking too. But to make the point in the connection, this "carried up" is like the tradition of carrying a bride over the threshold and is only found in Luke, about Jesus going up to heaven. In [Mark 16:24](#) it uses "received up" G353 like guests are received at a wedding. And in Matthew 28 Jesus doesn't go away... we'll save that for Part 5. For reasons of time, we're not going to go through every little piece detail otherwise it will take many more hours than these couple of videos. So I'll do my best to go a little below the surface into some of the Hebrew and Greek words but not into everything we understand. Some needs to be left for you all to dig into yourselves to understand it. Let's continue in [Psalms 18:6](#) "In my distress I called upon the LORD, and cried unto my God:...". We also find this in [Psalms 118:5](#) "I called upon the LORD in distress: the LORD answered me, and set me in a large place."

In [Psalms 18:19](#) "He brought me forth also into a large place; he delivered me, because he delighted in me." And who are the ones He rewarded and delighted in? [Psalms 18:20](#) "... according to the cleanness of my hands hath he recompensed me." Which also means those who did not have cleansed hands were not rewarded being set in a large place. So let's briefly look at the others. These others would be the sleeping church? So where should we see them after they've had a chance to wake up and their time is come? It should be around 6 to 7 years later or the year 2024, always remembering Spring to Spring. And in Psalms 24 that's exactly where we find it. It starts right away in [Psalms 24:1](#) "The earth is the LORD'S, and the **fullness** thereof; the world, and they that dwell therein." Where do we find the "fulness" of something relating to the end times? [Romans 11:25](#) "...that blindness in part is happened to Israel, until the **fullness** of the Gentiles be come in." And also found in [Luke 21:24](#) "...and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled." Now how is it connected in Revelation to the timing of events? After the 6th Seal but before the 7th Seal which would be around 2024 in Revelation 7. We see the

144,000 get sealed then we see the Great Multitude which no man could number (see timeline). This is the “fulness of the Gentiles come in”. Let’s go a couple of verses further to [Psalms 24:3](#) “Who shall ascend into the hill of the LORD? or who shall stand in his holy place? 4 “He that hath clean hands, and a pure heart;...” You see those who will now be able to go the hill of GOD will be those who now “have” cleansed their hands. Where as in chapter 18, it was those who already “had” them washed. What else do we see here in chapter 24? This group will get to “ascend the hill of the LORD” and where do we find this connection? Who do we see coming at the end of the 6th Seal? [Revelation 6:16](#) “...hide us from the face of him that sitteth on the throne, **and** from the wrath of the Lamb:” Who are they seeing is some form? The LORD! But how is He coming and where? It’s not the time of after 6000 years yet, it’s only around 2024. So His return feet down on the Mount of Olives, is still a few years away. The understanding of this was revealed to us once more of the books began to open up to us in their end time understanding. In this case it was the Book of Zechariah. You saw at the start how, the last chapter, chapter 14 told us when the return of the LORD would be to the Mount of Olives. The 14th year or last year of the tribulation, 2031. When this was revealed to us back in around April of 2018 it was HUGE. We saw it revealed some incredible timing of events in its **14 Chapters** and as we dug into it...Wow! It’s a time piece for Israel! It was after careful study we realised it was telling us the Lord was going to return to or on Mount Zion around the rapture time to collect those who had now cleansed their hands. I did a BIG video teaching on this called, “The most important End Time video you'll ever watch.” The understanding was so huge I had to give it a bold title. So now let me show you where we can show this to you and also confirm it in a couple places. Let’s go to [Zechariah 8:3](#) “Thus saith the LORD; **I am returned unto Zion, and will dwell in the midst of Jerusalem**: and Jerusalem shall be called a city of truth; and the mountain of the LORD of hosts the holy mountain.” This is the year 2025 I believe sometime in the Spring. This is also the time when the city will be rebuilt and the temple in its proper place with the Lord, as you can read if you keep reading down that chapter.

Now where does connect it the timeline of Revelation? Remember we saw the Lord coming down at the end of the 6th Seal, but where does He go? We saw that in Revelation 7 the 144,000 were sealed, but then where do they go? The answer is in [Revelation 14:1](#) “And I looked, and, lo, **a Lamb stood on the mount Sion**, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.” When is this time...**2025!** Right before the Trumpets begin!

We can also understand more of the timing from [Zechariah 8:2](#) “...**I was** jealous for

Zion with great jealousy, and **I was** jealous for her with great fury. Whereas in [Zechariah 1:14](#) “...Thus saith the LORD of hosts; **I am** jealous for Jerusalem and for Zion with a great jealousy.”

In [Zechariah 1:15](#) “...for I was but a little displeased, and they helped forward **the affliction**.” In His Jealousy “the affliction” **begins**. And in [Zechariah 8:10](#) “For before these days there was no hire for man, nor any hire for beast; **neither was there any peace** to him that went out or came in because of **the affliction: for I set** all men every one against his neighbour.” This is jam packed with connections. We see there was, no peace because the affliction had begun. And where do we see peace being taken from the earth and tribulation/affliction beginning? The 2nd Seal red horse rider in [Revelation 6:4](#) “And there went out another horse that was red: and power was given to him that sat thereon **to take peace from the earth**, and that they should kill one another...” It’s the same thing! Where else do we find confirmations? Matthew 24, Mark 13 and Luke 21. Each Olivet Discourse! Nation shall rise against Nation, Kingdom against Kingdom and People against People, which is, neighbour against neighbour! All perfectly in line with the timeline that was revealed to us in understanding 14 years.

I’m sure you can see how this teaching can become very, very lengthy. We’re still in the early part of Psalms, but you can also see how the connections are made directly into the other books in the exact same time frame that they were revealed in in the other books. I love it and can literally do this all day long ☺

Let’s look at one more piece I wanted to cover relating to Psalms 18. We’ve spoken about it a number of times but this is for the study notes video, so I want people to see why I say this. [Psalms 18:7](#) “Then the earth shook and trembled; the foundations also of the hills moved and were shaken, **because he was wroth.**” **8** “There went up a smoke out of his nostrils, and fire out of his mouth devoured: coals were kindled by it.” And keep reading to the end of verse 15 where the foundations of the earth are going to be scene. This is going to be a great earthquake from/ with volcanic eruptions. There is no doubt about that. It is very clear. Remember this is 2018/19. This is Very scary stuff, so let’s see if we can confirm this elsewhere. Many would say that it’s the 6th Seal great earthquake and it appears like it could be, BUT, we’ve been showing all these other timings of events from now to 2024/25 so far. So how could it be the 6th Seal? Remember it always goes back people not yet understanding 14 years?

And for those who think this is speaking about the 6th Seal go back to the first part of this

teaching, Part 4. This group, are the ones I called the Mid/Pre tribbers. They believe we're waiting on the 6th Seal to happen next. So, if it's not the 6th Seal great earthquake, which one is it? The revelation comes to us from understanding Luke 21 in his Discourse and knowing that the Book of Acts also gives us a timeline of events from Acts 15 – 28 as listed above. Let's go to Luke 21. (show great earthquake and great earthquakes search). Luke is the only one in the whole bible that uses the words Great EarthquakeS. Why? Remember Luke tells us in [Luke 1:3](#) "It seemed good to me also, **having had perfect understanding of all things from the very first**, to write unto thee..." He tells us he knew everything the other Gospels knew and wrote, and that he also knew even more on top of what they knew to the point it even says, all things. That is a huge statement and tells us we should be paying more attention to what Luke said, then what Matthew said, as almost all pastors like to go to. (show clip). As we've taught, we know Luke is speaking to the bride first, but we also know he has the understanding of all the others. So when reading Luke we need to discern if it's to the bride and to the others. Now is the bride going through the tribulation? Absolutely not! In fact (show word search for tribulation) the word isn't even found in Luke! But, the bride will be here for a short period of events before it begins. I believe this time is the 40 day notice to repent piece of time. And this is why he/Luke is the only one to say great earthquakeS. The great earthquakes that will happen during the tribulation are not for the bride, like we see in the word search for great earthquake (show again). Yet there most certainly is one in Psalms 18? And in that chapter we see that those who will be delivered are first going to experience it. Now let's find it! Again back into, [Luke 21:11](#) "And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven." We see he mentions them **all**. All the great earthquakes to come. But then we see in [Luke 21:12](#) "But **before all these**, they shall lay their hands on you, and persecute you, delivering you up to the synagogues, and into prisons, being brought before kings and rulers for my name's sake." Before "all" what things? The things from the verse before! Meaning they shall lay hands on *some* to persecute them and put into prisons. Before a great earthquake. So far it ties into the time of Psalms 18, but where's the great earthquake revealed during this time? Remember Acts 15 – 28 the years to chapters 2018 – 2031! Remember as always a year is from Spring to Spring (know you're sick of hearing, but it's also for new people). So let's look into these chapters in Acts. Let's start with Acts 15 to show what has already begun and still to come. [Acts 15:5](#) "But there rose up certain of the sect of the Pharisees which believed, saying, That it was needful to circumcise them, and to command them to keep the law of Moses." This took place in July 2018. When Israel thought it good to bring back the laws. Then as you keep reading the Apostles were upset with them for doing that and bring back the burden that even their fathers could not bear. Then we read [Acts 15:13](#) "And after they had held their **peace**..." this is a

reference to the peace deal and what do we know comes next? The Escape of the bride. [Acts 15:14](#) “Simeon hath declared how God at the first did visit the Gentiles, **to take out of them a people for his name.**” Now, where is the great earthquake? This is where we have come recently to understand that there will be a chosen group from among the bride that will remain to help the sleeping church.

After all, if you missed the escape of the bride because your pastor/priest, etc... never taught you to be ready. Would you listen to them? I believe they'll be from the tribe of Dan. If you keep reading to the end of Acts 15 you'll see the understanding of the choosing by the elders (celestial council) and apostles. I believe this is at the beginning of the 40 day time frame for repentance or from [Luke 11:30](#) “For as Jonas was a sign unto the Ninevites, so shall also **the Son of man** be to this generation.” Which one generation? This one who sees her at 70 years old! So now if we continue to (and again remember 2018/19), Acts 16 they were saving whole families and getting them baptized right away [Acts 16:15](#) “And when she was baptized, and her household,...” Then [Acts 16:19](#) “And when her masters saw that the hope of their gains was gone, they caught Paul and Silas, and drew them into the marketplace unto the rulers,” **20** “And brought them to the magistrates...”) Just like we read in [Luke 21:12](#) earlier, that would come Before a Great Earthquake. So let's keep going and finish this up for today. [Acts 16:23](#) “And when they had laid many stripes upon them, they cast them into prison...” Also as Luke told us. [Acts 16:26](#) “And suddenly there was **a great earthquake**, so that the foundations of the prison were shaken: and immediately all the doors were opened,...”

Now, especially for the newer viewers, but also for those that want to keep arguing. Do you SEE what's happening here in this ministry? Do you understand now that the books are opening are being revealed here? And I'm still not close to being done!

In Part C, we won't begin with a recap. We'll just essentially continue from where we ended here. It was just a while since Part 4 was done.

I thank you and pray for your continued support to be able to keep focused on getting the understanding out to the world. We also always need your prayers. It's not an easy thing. We're also praying for you all of you here in the ministry and a number of you specifically. We love you, bless you and pray that each of us and our families will be found accounted worthy to escape All these things that shall come to pass and stand before the Son of man. GOD bless.
