

## Understood End Time Prophecies to Timeline (Part 2)

**The 14 Years:** 2018/2019 to 2031/2032 (not including the Jubilee). The revelation of the 14 years comes from the understanding of [Psalms 90:10](#) The days of our years are threescore years and ten(70); and if by reason of strength they be fourscore years(80), yet is their strength labour and sorrow; for it is soon(6 months)cut off, and we fly away(3.5years).

As well as [2 Corinthians 12:2-4](#). In which Paul says I knew a man above 14 years ago. And he's speaking to them, Judah, in the understanding. As if there with them the 3rd time! The first he says was "like" a rapture and they go to the 3rd Heaven (Bride). The second he says "was" raptured and they went to Paradise (Church)

Let's understand [Psalms 90:10](#). It says the days of your years shall be 70! This gives us the understanding of the length of a generation. We know from many scriptures in Matthew, Mark and Luke that the final generation will be the one that sees the fig tree blossom/ Israel return into the land. So this could not have happened at any other time over the past 2000 years or so. Meaning also, every other "quote /unquote" prediction or explanation of when the tribulation would begin were completely non scriptural. Israel must be returned and in their land for 70 years, [Zechariah 1:12](#). **This year IS the only point in HISTORY** where this has ever been applicable. And as we discussed earlier in the, Final 21 years, it lines up perfectly with where we are now in 2018 with 14 years to go and with the time of the Escape of the Bride by the Holy Spirit after the first ~7. Leaving the exactly number of years to Christ's return after 2000 years! So we've found the start, the 70th. Now let's break it down. It says from the 70th to the 80th (10 years) will be labor and sorrow. The Hebrew word definitions tell us these words mean; toil, that is, wearing effort; hence worry, whether of body or mind: - grievance (-vousness), iniquity, labour, mischief, miserable (-sery), pain (-ful), perverseness, sorrow, toil, travail, trouble, wearisome, wickedness. And ...trouble, vanity, wickedness; specifically an idol: - affliction, evil, false, idol, iniquity, mischief, mourners (-ing), naught, sorrow, unjust, unrighteous, vain, vanity, wicked (-ness.)

So we understand these are not simply 10 years as usual, but 10 years of various tribulations, including **Travail**. Then it says; for it is soon cut off. This gives us a total of 10.5 years to this point. Where is the 10.5 years in the timeline of events? It's the end of the 4th Trumpet! This is the understanding from [Daniel 9:25](#) Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times. [Daniel 9:26](#) And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.

We see Jerusalem must first be destroyed, followed by a commandment to rebuild it, to Messiah the Prince. Then it says 7 weeks/ years and then (, and) threescore.... We've done a few studies on the meaning of having the “, and” being added compared to when it's not. Here's the main example we show; [Daniel 12:7](#) ... swear by him that liveth for ever that it shall be for **a time, times, and an half**.... We see no “, and” between the time / times. This means they are not added together but simply counted. As in time (1), times (2) and half (.5) = 2.5 years. Here's an example; 1, 2, 3, 4, 5, and .5 = 5.5 years not 15.5 years. There is no addition of the word “AND” between time/ times. Whereas when we read Revelation 12:14 ... where she is nourished for **a time, and times, and half a time**,...

We see here there is “, and” between time / times. Here's an example to understand the difference; 1, and 2, and 3, and 4, and 5, and .5 = 15.5 years and not 5.5 years because of the addition of the word “AND”. We will cover this further in another section, that will be more dedicated to just Daniel 9's understanding. The reason I brought this “, and” understanding up now is so you'll see the purpose of it between the 7 weeks of years (7 years) and the threescore and 2.... To understand that they're separate numbers that are together in a total count being revealed.

So after 7 years it says they will rebuild the city and the streets for threescore (meaning to score like marking something off ///. As in crossing something off type of scoring) and 2. Meaning after 7 years (of seals) THE Messiah (capital M) will be here and for threescore and 2 or 3.5 years will be here while the city the streets are being rebuilt including the correct temple in its location. So how does this all connect to the [Psalms 90:10](#), 70 to 80 years and soon cut off or 10.5 years? Let's continue to [Daniel 9:26](#). We see **after** the threescore and 2 for a total of 10.5 years (the 7 years and 3.5 with Him here for rebuilding) that Messiah (again with a capital M, telling us the Lord) will be CUT OFF. This 10.5 years is the exact same time to the end of the 4th Trumpet and Psalms 90:10 to the Cut Off and where the [Revelation 12:14](#) Jews fly into the wilderness! This means Messiah will be here in some fashion during the first 3.5 years of trumpets? Now this isn't Him feet down on Mount of Olives time. This is Him somehow coming on Mount Zion. Like we read in [Zechariah 8:3](#) Thus saith the LORD; I am returned unto Zion, and will dwell in the midst of Jerusalem: and Jerusalem shall be called a city of truth; and the mountain of the LORD of hosts the holy mountain.

Reading further you see that they're starting to rebuild. Now how do we know Zechariah is talking about this same End Time understanding? We get to that in greater detail soon, along with a number of other books as we discussed earlier like Ezekiel. But now where else can we confirm this? Let's start where we first see Him coming. [Revelation 6:16](#)... and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: So we see here at the end of the 6th seal people are going to see Him coming in the clouds. We don't fully know or understand what this will look like but we can see the timeframe of the arrival.

This is shortly before of the time the Rapture which will come soon, making it sometime in the year 2024. Before the start of trumpets which will begin in 2025.

This now brings us to [Revelation 14:1](#) And I looked, and, lo, a Lamb stood on the mount Zion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.

Here we see the Lamb on mount Zion with the 144,000 who were sealed after the 6<sup>th</sup> seal before the 7<sup>th</sup> seal. **Revelation 14** is the beginning of trumpets and we clearly see the Lamb on mount Sion. This is the same period of time spoken of in Daniel, the start of Jacob's trouble and the 7 years of trumpets. So we have had the 7 years of seals, and then Messiah coming on mount Zion and here for 3.5 years until mid trumpets/ end of 4<sup>th</sup> trumpet where the city and streets will have been rebuilt, including the correct temple built where it should be. Thus bringing us to [Psalms 90:10](#) ... and soon cut off/ 10.5 years.

Next, the timeline ends by telling us.... "and we fly away." So we know Jesus will be cut off, [Daniel 9:26](#) And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy.... This is after the 4<sup>th</sup> trumpet. Leaving us with 3.5 years or the second half of trumpets. Which we can also breakdown in scripture. [Revelation 12:14](#) ...that she might fly into the wilderness, into her place, where she is nourished for a **time, and times, and half a time**, from the face of the serpent.

We discussed this earlier regarding the “, and” between time / times. Which makes it 3.5 years. The time woman Israel/ Judah will be hidden in the wilderness for. Bringing us to the end of the 14 years. We also see this same timeframe at the 5<sup>th</sup> trumpet, which is after we see a couple verses earlier in **Revelation 12**, Satan having lost his battle in heaven and was cast down to earth with his angels. This is the same time the pit is opened at the 5<sup>th</sup> trumpet in [Revelation 9:1](#) And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. [Revelation 9:2](#) And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

From here to the end of the trumpets is the final 3.5 years. Giving us 7 years of seals + 3.5 years during rebuilding then cut off + 3.5 years Israel is in the wilderness. For the whole [Psalms 90:10](#), 14 years total timeline.

There is another final 3.5 year breakdown that's revealed in Daniel. It's the same timeframe of the final 3.5 years but broken down a little differently than just 3.5 years in the wilderness. It's more detailed and reveals the understanding of the other version of **time, times and a half** which is the 2.5 years. But we'll cover that all in the Daniel 9 study. The 14 year breakdown study is many, many pages long and hours of videos, so it will be broken down in pieces with notes. And be revealed without question or denial as **TRUTH!**
